

2025-26 FUNDRAISING CAMPAIGN

DISCOVERY SCHOLARSHIP

Since 1984 this amazing Marin-based program has provided ongoing, weekly private music lessons to 220+ low-income children.

Former Discovery students have graduated from colleges and universities across the United States. Our most recent graduate received a full scholarship from Spitzer College, part of the Claremont campus. She is majoring in political science and has dreams of serving in Congress one day.

Discovery students have entered the economy in many fields including health and medical services, culinary research, business (corporate, entrepreneurial and self-owned), education, music performance, production & film composition, government service and the armed forces, among others.

MUSIC IS A GIFT THAT LASTS A LIFETIME!
